CONFERENCE OVERVIEW

Monday
October 28

Preconference

Tuesday -Thursday
October 29-31

Conference

Agenda coming soon.
Check website for updates.

THINGS TO DO IN LEXINGTON

Scan the QR code
for things to see,
do and eat in
Lexington.

The Conference's overall objective is to increase the safety of the roads, reducing drastically the number of fatal accidents and injuries. It will also provide an opportunity for ASHE Members and industry stakeholders to meet, conduct annual business, install officers, conduct technology exchange, recognize special contributions, and participate in appropriate social activities.

CONFERENCE INFORMATION

For sponsoring/exhibiting and other conference information contact Eric Green, Martha Horseman or Brittany Cloyd.
