

The Kentucky Transportation Cabinet, Division of Traffic Operations, is holding The Traffic Engineers Meeting on December 13-15, 2022, in Lexington, KY. The three-day meeting will cover a variety of noteworthy topics from budgets to signal contracts.

The purpose of the meeting is to provide traffic engineers with the opportunity to learn about pertinent information shared by great minds in the field and give them the ability to network with colleagues from across the state.

### **Agenda**

The meeting is three days, presented in multiple general sessions. The sessions will be held Tuesday, starting at 1 p.m., and conclude on Thursday at noon. Below is a list of topics to be covered, but are not limited to Legislative Changes, Electrical Safety, Loops on Rehab Projects, Signal Contracts, and Sheeting Standards. This conference is estimated to offer 12 professional development hours.

### **Registration**

To register for the meeting, please click [HERE](#). Registration will close on Friday, December 2. The Division of Traffic Operation will be covering the registration fees for this meeting. This meeting is for KYTC staff only.

### **Logistics**

The meeting will be held at the [Hyatt Regency Lexington](#).
